About Me

Greetings, I am **Matthew McGyver Zafra**, a recent graduate with a degree in **Information Technology** from **Dr. Yanga's College, Inc.**, with a focus on **Programming** and **Networking**. I am proficient in **HTML, CSS, PHP, Java, JavaScript, Python, VB.Net, C++, C#, and SQL**, and I am currently expanding my expertise in **React Native**. I have strong adaptability in applying technical knowledge to deliver effective solutions. I also have previous experience as a **Technical Support Intern** at the **Municipality of Bocaue**. I am eager to collaborate, contribute, and take on new challenges.

Strengths

- **Competency in verbal and written english**
- **Capable of working both independently and collaboratively within a team**
- **Able to find solutions to problems that require workarounds**
- **Adaptability to learn from previous mistakes**
